Truro Fire and Rescue Assoc. News

Fran Hoffman Benefit:

There was overwhelming support at the benefit dinner for Fran Hoffman & family. Approximately 250 people were served. The Truro Fire & Rescue wishes to say THANK YOU to everyone in our community & the surrounding communities for helping us help one of our own.

Thank you also to all the people who donated food.

Texas Hold Em Fund-raiser:

The Texas Hold Em tournament held at the Truro Lion's Hall was well attended. The funds raised will go towards a matching grant from Alliant Energy to purchase a cardiac monitor for our ambulance.

EMS Week

EMS week is May 17th-23rd this year. We will be having a BBQ on May 19th to celebrate. We'll be serving burgers, chips, drinks & homemade ice cream from 5:30-7:00pm at the city park. A meal is \$4.00 & a cup of ice cream is \$1.

There will also be a kid's coloring contest & free blood pressure checks.

Hope to see you there!

Volunteer of the Month: Jennifer Collins

She is active on both the Betterment Committee & the Truro Fire & Rescue Association. She has a lot of great ideas & helps where she can to get things done. Jennifer also started this newsletter & gets it ready every month. Along with a handful of volunteers who help write the articles, she's the main one making sure we're all kept informed of what's happening around the community. Another item that she recently created is the Truro website. You'll hear more about that soon. Thank you Jennifer for all you do!

Ragbrai will be coming through Truro on July 21st, Please watch the newsletter next month and check out the web-site for more information. As the time gets closer we will be updating the web-site on a daily basis to keep everyone informed on the events for the day. We will be needing volunteers for that day and the day after for clean-up. Please volunteer to help out, make this a town that the riders won't forget. We will post on the web-site the different organizations and contact information for those who would like to volunteer. Please remember that this is an opportunity for our town to raise money for not only the Fire and Rescue Dept., Betterment Committee, to raise funds to do more improvements and projects in the future, and it will help any other organization that chooses to participate in the activities.

"125 Years of Memories"

There is lots of exciting things going on with the Town and Country Day's. Please watch the web-site, the shopper and around town for flyers coming out in May.

We are still looking for volunteers that weekend there are several different activities that you can help with.

We are also asking that if at all possible if you have coffee cans or nut cans to please save them for the Truck show. You can take them to Jennifer Collins.

We will be having rides this year and they will consist of a mechanical bull, a log ride, giant slide, bounce house and a safari train. You will be able to buy tickets for \$1 each ride takes 1 ticket. We will also be selling wrist bands that are good all day long they are available for \$20 and you can buy them from any Betterment Committee Member or Union State Bank.

We will also be working this month on getting a stage built in the park for the Bill Riley Contest. If you would like to volunteer some time for that please call Jennifer @ 515-975-2148 for more details.

There will be a variety of live music in the park on Saturday and Sunday so be sure to bring your lawn chairs.

Please remember that we are doing a walk down memory lane in the high school commons. You are welcome to bring whatever you want to put on display.
